Information Collection Requirement

Title: TSA Claims Management System.

Type of Request: Extension of a currently approved collection.

OMB Control Number: 1652-0039.

Forms(s): Supplemental Information Form, Payment Form.

Affected Public: Members of the traveling public who believe they have experienced property loss or damage, a personal injury, or other damages due to the negligent or wrongful act or omission of a TSA employee and decide to seek compensation by filing a Federal tort claim against TSA.

Abstract: OMB Control Number 1652-0039, TSA Claims Management System, allows the agency to collect information from claimants in order to thoroughly examine and resolve tort claims against the agency. TSA receives approximately 1,000 tort claims per month arising from airport screening activities and other circumstances, including motor vehicle accidents and employee loss. The Federal Tort Claims Act (28 U.S.C. 1346(b), 1402(b), 2401(b), 2671-2680) is the authority under which the TSA Claims Management Branch adjudicates tort claims.

The data is collected whenever an individual believes s/he has experienced property loss or damage, a personal injury, or other damages due to the negligent or wrongful act or omission of a TSA employee, and decides to file a Federal tort claim against TSA. Submission of a claim is entirely voluntary and initiated by individuals. The claimants (or respondents) to this collection are typically the traveling public. Currently, claimants file a claim by submitting to TSA a Standard Form 95 (SF-95), which has been approved under OMB control number 1105-0008. Because TSA requires

further clarifying information, claimants are asked to complete a Supplemental Information page added to the SF-95. These forms have been approved under OMB control number 1652-0039.

Claim instructions and forms are available through the TSA website at <http://www.tsa.gov>. Claimants must download these forms and mail or fax them to TSA. On the Supplemental Information page, claimants are asked to provide additional claim information including: (1) E-mail address, (2) airport, (3) location of incident within the airport, (4) complete travel itinerary, (5) whether baggage was delayed by airline, (6) why they believe TSA was negligent, (7) whether they used a third-party baggage service, (8) whether they were traveling under military orders, and (9) whether they submitted claims with the airlines or insurance companies.

If TSA determines payment is warranted, TSA sends the claimant a form requesting: (1) claimant signature, (2) banking information (routing and account number), and (3) Social Security number (required by the U.S. Treasury for all Government payments to the public pursuant to 31 U.S.C. 3325).

Number of Respondents: 12,000.

Estimated Annual Burden Hours: An estimated 6,000 hours annually.

Issued in Arlington, Virginia, on November 15, 2011.

Joanna Johnson,
TSA Paperwork Reduction Act Officer,
Office of Information Technology.
